

November 2021

After another successful, busy October month, we stand with gratitude in our hearts for health and growth, as a club and as members of JBBC. So much has been accomplished through sustained perseverance and teamwork.

A Chinese proverb states, "Behind an able man there are always other able men."

And the truth is that teamwork is at the heart of great achievement. The question isn't whether teams have value. The question is whether we acknowledge that fact and become better team players. You cannot do anything of real value alone. If you truly take this to heart, you will begin to see the value of developing and equipping your teams players.
