Spring Day @ JBBC
10 September 2021

Terwyl ons op ons lewenspad onderweg is na die toekoms waarna ons smag, is voorneme of intensie die sleutel om ons onderbewuste energieë in te span ten einde by ons doelwit uit te kom. Die stappe is bewustheid, aandag, intensie, optrede, intergrasie en, instandhouding.

LENTEDAG

Jeffreysbaai Rolbalklub doen dinge op 'n ander manier, 'n spesiale manier. Ons het ge-
wag vir 'n mooiweersdag en die koms van die lente op 10 September gevier!

Daar was strawwe kompetisie op en van die baan. Die prys vir die besgekleede kaktus was
Pierre Marais. Hy het 'n Elsa-ontwerpte kaktusagtige t-hemp aangehad. Die bloeisel van
die dag was Annamarie Lazare. Sy het strawwe kompetisie gehad, maar haar hoed en
versierings was genoeg om met die prys weg te stap. 'n Paar gelukkige trekkings is ook
uitgedeel.

Ná al die opwinding kon ons aansit vir heerlike braaivleis, pap en sous, net soos Lettie en Tos dit kan voorberei. Tydens die ete is ons vermaak deur Dawie en ons eie Charlie met lekker musiek – al die ou “hits”! ‘n Paar lede het die karaoki aangedurf, maar ongelukkig het ek geen toekomstige Pavarotti, Michael Jackson of Celine Dion bespeur nie. Ouderdom mors mos maar met ‘n mens se stem!!

Baie dankie aan al die dames wat tafels en die saal versier het. Spesiale dank aan Jackie van Heerden wat die leiding hier geneem het. Ook ‘n groot dank aan almal wat skenkings gemaak het vir pryse.

Wat ‘n heerlike saamkuierdag!

Ons maak weer so!

Herewith is a short resume of what we have been doing since leaving home.

Left home to go to the airport, PE, Joburg, Turkish Airlines to Budapest via Istanbul. We collected our hire car and went to our son and daughter in law. They live in a place called Cegled, we spent 3 weeks with them. Went to visit the sights in Budapest, walked a lot. They have a system that pensioners can use all public transport in the city for free, very useful. The river Danube splits the 2 cities Buda and Pest, a lot of castles and monuments on both sides of the river.

23rd September we packed our cases and left Cegled to drive to our next destination to Melnik/Prague.

Was a long drive and arrived at our hire apartment for a week. Went to Prague by train next day (no use parking in any of the cities, go by bus or train). There are so many amazing castles, churches and other buildings in the Square, one has an astronomical clock on the tower, it chimed at 3 pm. (picture included.) too much to take in all the sights. Today we visited all the sites in Melnik. We will be going back to Warren and Regina on Thursday for a few days then we fly to Holland to visit with our other son Nick and daughter in law Sharron and will get to see the girls and our grandson then back to Budapest and a day later fly home. It is impossible to get everyone all together, all live in different countries.

After all this gallivanting so far and still lots to see, we will be home 8th October.

PERSONAL TRUST

God gave us two ends !
One to sit on and one to think with. Success depends on which one you use : Head you win, tail you loose !

Today I would like to introduce you to Carl Vermeulen of Personal Trust. A lot of our members have seen Carl at the club from time to time but our newer members may not have met him or know about our biggest sponsor for many years.

Personal Trust have for many years sponsored one of our biggest annual tournaments, i.e. "the Personal Trust JB Sixes". Once a month they also sponsor our Friday Trips competition with nice cash prizes for our members. They are also involved with our Business League. The most recent one was sponsored by them and the next one which starts in early October and runs until November receives most of the prize money from Personal Trust as well.

We would like to ask you to please consider contacting Carl in case you do need financial assistance. Quite a few of our older members have been involved with Personal Trust for a long time (myself included) and can assure you of their integrity and dedication to their clients.
